Inhouse Tournament Results June 2010

Our winter inhouse tournament was a great success.

Competition was tough with enthusiastic competitors in action from Level 1 all the way through to Black Belt.

The standouts were Brooke Restall and Kris Hoggan, both of whom won all three of their divisions.

The in-house tournaments, held four times each year, provide a special opportunity to test your skills, and your sportspersonship in a safe competitive environment.

Performing in front of a large crowd of families, friends and strangers can be quite nerve-wracking for many people but it can be great for the confidence of those who do participate.

The tournaments are about celebrating and rewarding ALL students' achievements and providing another avenue for students to push their skills to a higher level. So a big thank you to everyone involved.

PS What if you didn't win a medal? Losing can be disappointing. It can (temporarily) put a dent in your confidence. It can hurt your pride and your ego. This is all normal. Don't tell anyone, I was very embarrassed once when a stewardess caught me crying to myself on a plane after I missed out on being selected for the Australian team. But it is only a test of your mettle. It is never the end of the world. I know all about it. I lost lots of times, sometimes badly, but every time I learned something, thought hard, practiced hard and went back and turned the tables. When you win, you enjoy it, but you rarely learn much. When you lose it is an opportunity to learn and improve if you don't quit.
